

CS 309: Autonomous Robots

FRI I

Project Group Formation

Instructor: Justin Hart

http://justinhart.net/teaching/2020_spring_cs309/

Project Group Formation

Your group will

- Do Homework 4 Together
- Do Homework 5 Together
- Not do Homework 3 Together
 - The color blob detection homework should be done individually

Project Group Formation – In Class

Take 15 minutes to form a team

Your team should be 2 or 3 people (max)

Communicate your team to Mayuri & Jennifer in class today

Email me (hart@cs.utexas.edu)

- A list of names (including yourself)
- A list of your EIDs (next to your names)
- A list of your email addresses (next to your EIDs)
